

Below are the instructions to follow when upgrading to one of our **Deluxe** subscriptions:

There are two options for payment:

1. You can pay month to month by putting a credit card on file within the application. No long-term contract required.
2. You can work with our Sales team to set up a contract (5 year). If you are interested in a contract, please send an email to ePrescribesupport@allscripts.com and we will put you in contact with a member of the sales team.

If you would like to sign up online and use a credit card, please follow the steps below:

1. Log into the ePrescribe application
2. Click on the **Manage Account** tab.
3. Click **Enroll**
4. Click on the box to the left of "**I would like to enroll in Veradigm ePrescribe Deluxe**" and you will see the different subscriptions available. Subscription prices are per provider listed on the account
 - **Allscripts ePrescribe Deluxe No ads \$20**
 - **Allscripts Deluxe With ads: \$18**
 - **Allscripts ePrescribe Deluxe with EPCS with ads - \$33 + \$30 one time set up fee**
 - **Allscripts ePrescribe Deluxe with EPCS no ads - \$39 + \$30 one time set up fee**

***When you select your Deluxe choice, you will see the price for the current selection displayed in a box to the right of the options list**
5. Click the green **Continue** button.
6. You will see your order in the "shopping" cart and will be asked to fill in your e-mail address for billing.
7. Click the **Add Payment** button.
8. An Authorize.Net screen will be displayed allowing you to enter your credit card information. Please fill in the form and click the **Save** button.
9. This will direct you back to the payment screen where you can submit your order.
10. Once the sign up is complete you will need to log out and log back in for the changes to be reflected in your account.
